Escape Rooms Where Fun Meets Learning!

Teamwork • Critical Thinking • Adventure

Spark curiosity and teamwork with Fox in a Box Escape Room – the perfect school activity! Students tackle themed adventures, solving time-sensitive puzzles that boost creativity, critical thinking, and collaboration.

Each immersive challenge turns learning into an exciting quest, all in a safe, engaging environment.

Let's turn your class into a team of heroes!

Why Choose Fox in a Box

Aligned Learning

Our themed adventures foster teamwork, problem-solving, and creativity – skills that align with STEM and holistic education goals.

Themed-Based

Engage students with captivating storylines tied to history, science, or tech – making learning interactive and memorable!

Exciting Puzzles

Blending fun puzzles with hands-on learning to spark teamwork, critical thinking, and creative problem-solving in an adrenaline-filled adventure!

Safety

Supervised Fun with fully monitored rooms with age-appropriate challenges for students aged 10+.
