TEAM BUILDING & CORPORATE EVENTS

01 | CONCEPT

THE ESCAPE GAME

Do you want to give your employees an **original experience? Create bonds and build team spirit?** Bring them out of their comfort zone?

Mixing work and relaxation, Escape Games are an innovative concept to **unite a team** around a fun activity: ideal for a successful team building event.

Because of their **short format**, our games fit perfectly into your corporate events (strategic meetings, seminars, cohesion sessions, training, etc.).

CONCEPT

During the game, **the hierarchy no longer exists**, only **collaboration** counts.

It is a context where the issues will push everyone to reveal themselves, express innovative ideas, solve problems and leave the room motivated and stimulated.

To succeed in their mission, the team will have to demonstrate excellent **communication**, an acute **sense of observation**, a quality of **reflection**, and a **management of stress** without flaw.
